Dear Mr. Heath,

The Civilian Committee, Cadets, Commanding Officer and Staff of No 1 (Overseas) Akrotiri Squadron Air Training Corps sincerely thank The AirCrew Association Cyprus for their extremely generous donation to the Squadron.

Your kind donation will be used to continue to offer great opportunities for current and future cadets. As with many charitable organisations the costs of running the Squadron and providing these opportunities outweighs the ability of our own resources, as such all donations are greatly appreciated.

Yours faithfully,

**Dawn Hadfield
Civilian Committee Secretary**
